KORDEN Filing Solutions

For over half a century, KORDEN products have enhanced professional work environments by providing the highest quality, attractive, ergonomically designed products that meet specific storage needs. Starting out as a local company serving a regional market, KORDEN products are now found in virtually every industry both in America and abroad.

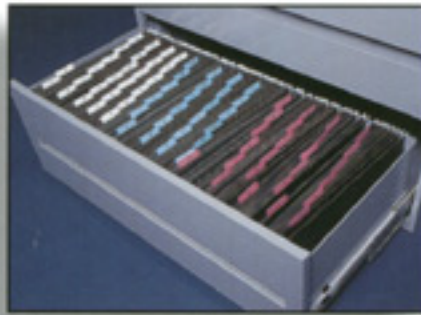

KORDEN lateral files showcase this manufacturing expertise gathered over the years with a durable and versatile file that would be welcome in any professional environment. Files are available in 2, 3, 4, or 5 drawer heights and in the popular 30", 36", and 42" widths. Additionally, KORDEN lateral files are available in any one of 18 standard colors or can be custom matched to any existing color scheme or product line.

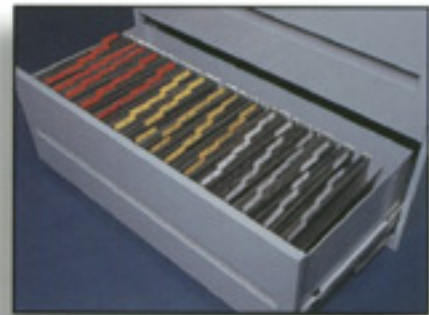

The KORDEN LFP Series Lateral Files

for effective records management.

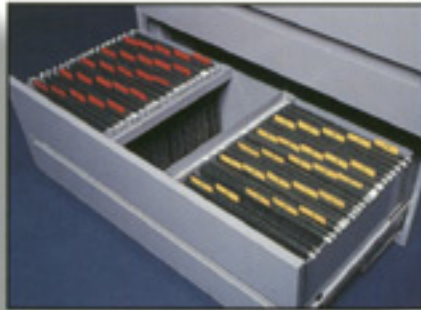

All typical filing configurations are available by simply specifying the appropriate letter in conjunction with the model number when placing your order.

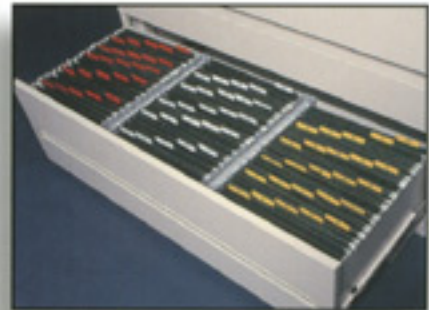

Filing Style A - Legal Lateral

Filing Style B - Letter Lateral

Filing Style C - Legal Front to Back

Filing Style D - Letter Front to Back

Standard Full Pull drawer front on the LFP Series files.

Optional Chrome Pull drawer front on the LF Series files.

KORDEN offers a wide selection of files to choose from. Whether you prefer the chrome pull or the full pull drawer design, the receding drawer that allows visual access to top drawers of the taller 5 drawer file, or the half-height drawers for card filing or micrographic media filing, KORDEN has the right file for your application.

Receding Drawer

Half Height Drawer

Four adjustable leg levelers are provided on all lateral files.

Core removable key cylinders.

KORDEN lateral files include all the features you would expect from a first quality product. Our advanced engineering, high grade materials, and skilled workforce, combine to create the quality that goes into every file before it leaves our facility.

All our files go through a rigorous assembly process which includes additional spot welding at all the identified stress points, a ladder frame that provides unsurpassed strength, and Accuride full extension ball bearing drawer slides. In addition, all files have been painted with an environmentally friendly, electrostatic water based enamel.

Selectd colors and sizes are included in our in-stock program for instant availability.

A factory technician forms a piece of raw steel.

Many different file sizes and colors make up our in-stock program.

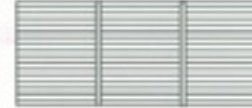

committed to quality and service for over 50 years.

Our ever expanding office furniture line-up includes Lateral Files, Bookcases, Shelf Files, Desk Pedestals, and Fire Files.

Whatever your filing requirements may be, chances are KORDEN has a well-built product for your specific need. Whether it be Lateral Files, Bookcases, Shelf Files, Desk Pedestals, or the UL Rated Fire Resistant Files, KORDEN's office furniture products are built to the highest standards ensuring they will provide years of trouble free service.
