

DRAWER AND MEDIA SIZE CHARTS

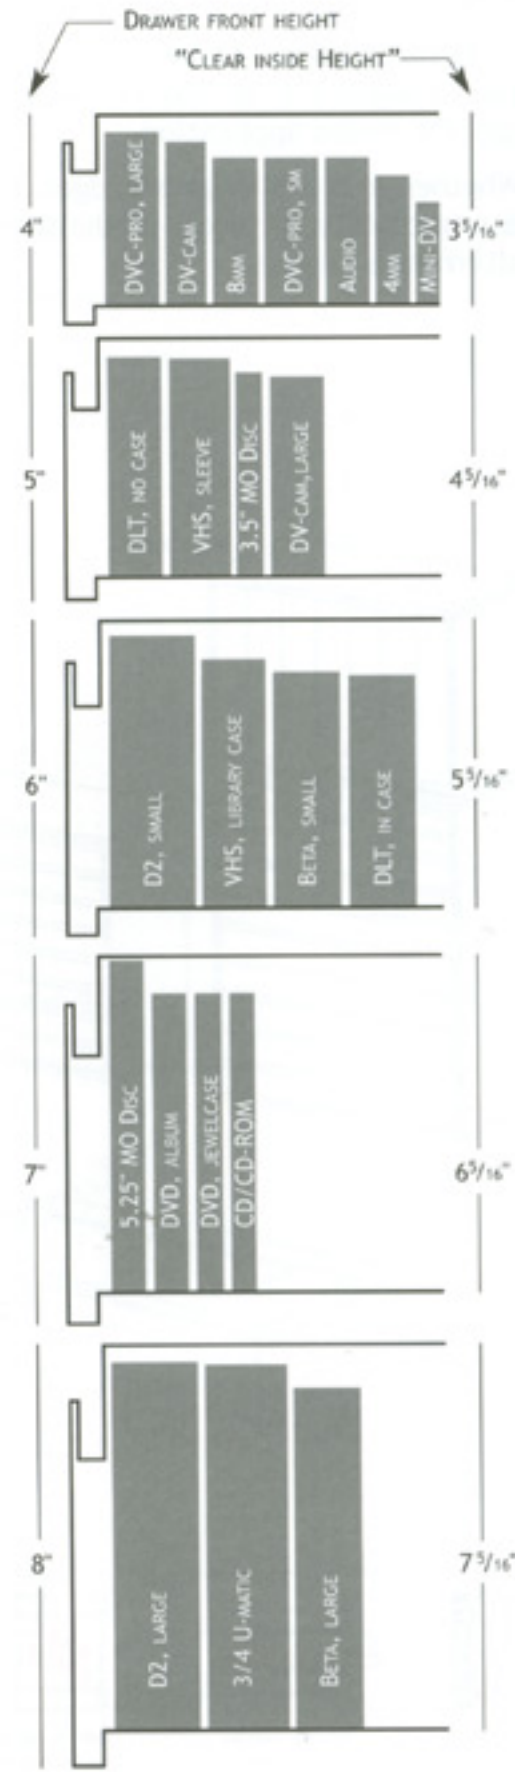

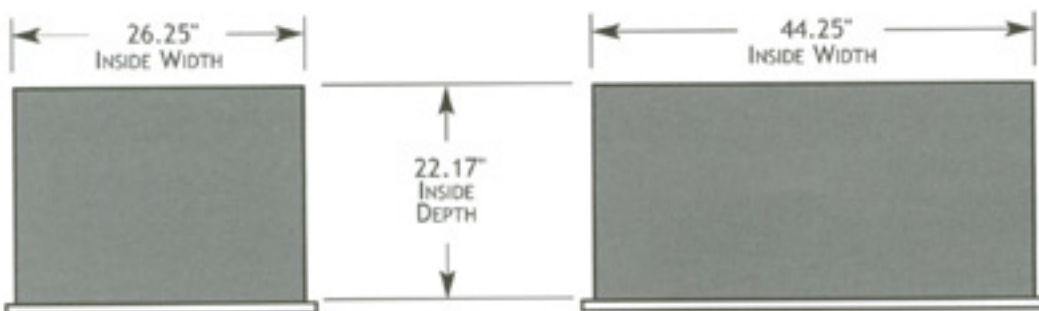

The side-view drawer drawings shown (at right) illustrate graphically which drawers are recommended for each media type. No media may exceed the clear inside height of the drawer.

The chart shown (below) depicts popular media formats with their reference dimensions, corresponding capacities, and drawer sizes recommended.

MEDIA SIZES, DRAWER SIZES & CAPACITIES REFERENCE CHART

REC. DRAWER SIZE ¹	MEDIA	DIMENSIONS (in inches)			CAPACITY		
		Short Side ¹	Long Side ²	Thickness	p/Row	per Drawer
