## MEDIA OVERFILE

The unique CO-7 Overfile may be installed on any 48" wide ProMedia cabinet.

The Overfile contains 7 vertical 6.5" wide, pull-out drawers; each including 4 adjustable shelves.

This versatile ProMedia Overfile accomodates most popular small media formats; plus, the adjustable shelves, bookends and backstops may be repositioned without tools or additional hardware.

For media types and capacities, please see the chart below.
