TIMES-2 SPEED FILES®... DESIGNED FOR TODAY'S PROFESSIONAL OFFICE

TIMES-2

A double-depth file cabinet that rotates for access from one or both sides.

TIMES-2

A storage system with far greater filing efficiency than lateral, vertical, or any single-depth storage units.

TIMES-2

A proven 25-year history of increasing capacity by at least 40%, and in some applications, doubling capacity.

TIMES-2

A unique storage system that can be built into walls, panel systems and custom millwork.

TIMES-2

A total storage system with dozens of options, accessories, multiple heights and an unlimited palette of painted finishes.

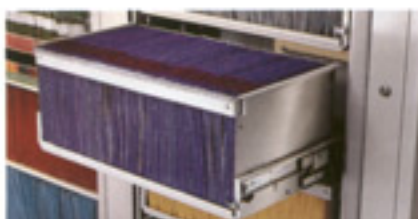

Rollout Drawer with End Supports provides fast and easy access to end-tab, color coded patient records.

Rollout Reference Shelf
Our most popular accessory. The 5-, 6-, 7- and 8- Tier models accept the *Rollout Reference Shelf* with no loss of filing inches when used with standard shelves.

Security Drawer
Confidential documents stay safe and secure. The drawer features double bit-key lock, recessed drawer front, and Accuride® suspensions.

Rollout Drawer with Hanging Folder Frame
Times-2 will handle all of your hanging folder requirements. Drawers can be stacked (1) per tier for complete hanging folder storage.

Rollout CD-ROM, Card, or Check Drawer *Drawer Front and Back* are slotted every 1/2" for adjustability. *Drawer Divider* runs the full front-to-back length. Adjustable slotted drawers allows for easy storage of either CD-ROM or videotapes.

Microfilm, Microfiche or Index Cards This low profile drawer can be adjusted to store a variety of valuable patient and business records as well as office supplies.
